PETITION - To the Legislative Assembly of Victoria

The Petition of the Residents of the Mornington Peninsula, draws to the attention of the House the legacy of under-investment in our public transport services and request a complete service review to identify, fund and resolve shortfalls to enable public transport on the Mornington Peninsula to align with PTV's minimum service level, including but not limited to:

1. Bus route changes to ensure all business, commercial, educational and all residential areas are properly serviced with the timetable they need, and in particular; Bringing Route 788 Bus (Frankston to Portsea) to a 20 minute timetable; Extending Route 783 Bus (Frankston to Hastings) service; Reconfiguring Mornington North Bus Services
2. Find and invest the $6 million allocated in the 2014 Budget for Mornington Peninsula bus infrastructure, but which has never been seen
3. Provide bus access direct to Frankston Hospital from all points around the Peninsula
4. A cross Peninsula service from Hastings to Rosebud, and another from Hastings to Mornington
5. Provide bus services to our key tourism destinations with intra-peninsula shuttles in peak season
6. Provision of express commuter services of major bus routes directly to Frankston station and Monash University Peninsula Campus.
7. Update all bus route signage to reflect current standards across all bus routes
